

ENJOY LEARNING:  
EMBRACE CHALLENGE!

# SOUTH DARLEY C.E. PRIMARY SCHOOL

## Celebrating Our Week

Friday 15th October 2021

### Infants— Looking back at last week

We have used all our non-fiction features to write about, design and make signs for our bedroom doors - beware of entering the bedroom of an Infant without permission! We have been doing some excellent addition and Y2 have been learning how to check their calculations. We identified ways we can reduce, reuse and recycle in order to help to reverse global warming and learned a catchy song to help us remember it. YR (reception) pupils have enjoyed the "The Tiger Who Came For Tea" and made their own version of the story. They ended the week with a Tiger tea party with sandwiches made by the children.

### Infants—Looking forward to next week

We will be enjoying some very silly poems and sorting them in different ways. We will be focusing on the 'ie' phoneme (as in pie) and finding out which children would like to take part in the school Spelling Bee. YR will read "Knock, Knock Who's There?" before discussing their favourite character and drawing it with labels. In Maths YR will be enjoying more counting with number rhymes and actions, counting backwards and forwards as well as matching numerals through game playing.

### Lower Juniors looking back at last week

In English, we have finished our balanced arguments and in Handwriting, we have focused on ensuring our letter sizes are the same. In Music, we have finished our piece on Mamma Mia and I have been very impressed with both the singing and glockenspiel playing. In Maths, we have been looking into subtraction and how we need to exchange (borrow) when the top number is smaller than the bottom one.

### Lower Juniors looking forward to next week

Next week we are going to finish our newspaper reports and our unit on addition and subtraction. On Wednesday, we are going to the EIS in Sheffield on a school trip that we are all very excited about. In Science, we will be finishing our work on Forces and Magnets whilst in Topic we will be mapping out the Derwent Valley Mills in Darley Abbey, Derby, Cromford and Belper. In Art, we are going to continue or work on William Morris and create pictures based on his work.

### Upper Juniors looking back at last week

This week in the Upper Juniors we have been thinking about the major changes during the Industrial Revolution and finding out about Cromford Mill ready for our visit there. We have started work on multiplication in Maths and looking at formal methods. As part of our forces Science work, we have carried out an experiment to test which type of material makes the best brake pad for a scooter - thank you to the Infants for lending us your scooters.

### Upper Juniors looking forward to next week

Next week we will be reading some more of 'Street Child' and planning a newspaper report based on the story. We will also be finding out some more things about Cromford Mill. In Art we have been really enjoying the work about William Morris and we will be continuing with our wallpaper designs which are looking fabulous. In Science we will be planning an experiment about water resistance and thinking about the best design for a boat.

**Best Work of the Week was awarded to James, Ed, Lucas, Margot, Thia-Louise, Finlay, Nicholas, Shohei, William B, Belle, Matthew, Corey and Ruby.**

# House Points

**Haddon - 75**

**Riber— 109**

**Chatsworth— 116**

**House Points Prize Winners—  
Haris & Orla**

Fri 15th	INSET DAY

# Sports Fixtures and Results

**Primary Sports Evening Session 4 Bounce & Boxing**

## PE Stars

## Inter-schools Tag Rugby

Well done to our Tag Rugby team— Mina, Haris, Jasmine, Paddy, Denna, Caitlyn, Ed, Jacamo and Tayla who managed to secure 2nd place at the inter schools Tag Rugby event. Winning 6 out of 7 matches they lost out to Lea Primary School who also won 6 but drew their 7th.

Well done to the boys for winning for TTRS battle again. It was also a great achievement for the boys to win on total points scored as there are so many more girls than boys. Highest scorers were: Finn, Holly and Shohei.

**6TH OCTOBER - 13TH OCTOBER**

**All Boys 761**

**All Girls 401**
