## Celebrating Our Week

Friday 16th July 2021

### Infants— Looking back at last week

On our RE day on Monday we thought lots about the verse 'The beauty of Creation praises God's name', thinking of the things in creation that we like best, what is special about us in creation and how we look after our world. On other days the infants have worked on some beautiful pieces of writing and maths to go into their special red files that record their time in school and will be presented to them in Y6. They enjoyed looking through what is already in their folder and seeing how much progress they have already made. They had their final Musical Gems session and have spent some time exploring in the plantation.

### Infants—Looking forward to next week

On our last week of this academic year we will be finishing our work. There will be lots of reading and tidying up of our art work. Year 2's will be having their move up day on Tuesday, where they join Mr Pass for the morning. With Miss Gill working from home, our new friends who are joining us in Reception next year won't be able to join us for their half day transition but we are sure they will all be ready to start with us in September.

### Lower Juniors looking back at last week

Y3 & 4 have worked hard on their Japanese persuasive adverts. We have loved researching about Japan and finding out more about their culture. In Maths, we have learnt about weighing mass and translating co-ordinates. On Monday, we had our RE day which was centred around creation, the children did five fantastic activities and got to learn all about the creation story, creation in other religions, how to protect creation and design their own creations in the plantation.

### Lower Juniors looking forward to next week

As it is our last week we are going to do lots of celebrating and reflecting on what has been a different but fantastic year. In English, we are going to finish our persuasive adverts and film them. We are also having a PE afternoon on Monday and our move up transition day on Tuesday. Thursday is the last day of our term so all children will be attending the leavers' service in the afternoon.

### Upper Juniors looking back at last week

This week in Year 5 and 6 we have been really pleased to have some good weather. Everyone thoroughly enjoyed the RE day on Monday and following on from this, we have continued with our large picture of the Christian creation story. Year 5 finished some work on reflection while Year 6 made us proud with their efforts with Bikeability. Year 6 also enjoyed a lovely walk in the local area on Friday. Plenty of water stops were required!

### Upper Juniors looking forward to next week

Next week we will be preparing for the Year 6 Leavers' Service. It will be sad to see them go but we know they are all looking forward to their next adventure. We plan to go to the Cricket Club on Monday to enjoy a Sport's afternoon and Year 6 will be having a fun treat on Wednesday. Thanks to children and parents for all your hard work and support this year.

### Best Work of the Week was awarded to

Maggie, Jacamo, Joseph, Isla, Safiya, Jacob, Imogen, Evelyn, Olivia, Caitlyn, Freddie and Alex

## House Points

**Haddon - 34**

**Riber— 56**

**Chatsworth – 41**

**House Points Prize Winners—  
Alfie & Sophia**

Because of the hot weather and lack of shade at the Cricket Club we decided to seek shelter by staying at School for PE this week. Infants used the village hall, and juniors braved the playground. All children remained in school whilst other PE lessons took place.

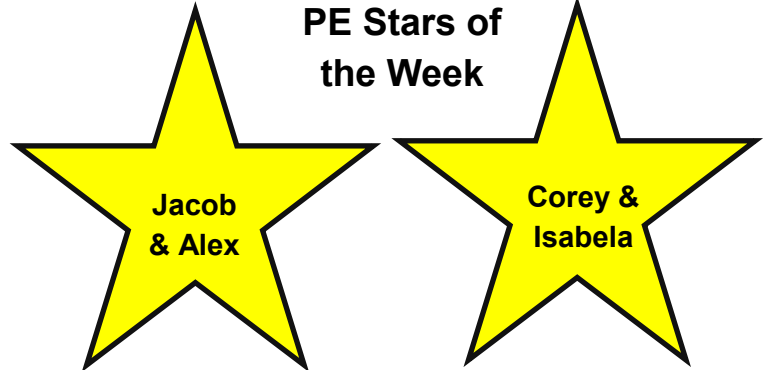

## What's on next week

Mon 19th	PE kits today please
Tues 20th	Juniors individual violin lessons Move up Day
Weds 21st	Y6 lunchtime treat—packed lunches not required
Thurs 22nd	Last day of Term Leavers Service at 1.30pm for Y6 parents and any parents whose child is leaving the school.

## Sports Fixtures and Results

### PE Stars of the Week

### Sports Sessions with Highfields

*We are with you Kolkata*

# Hastings School, Kolkata

*Walk to Kolkata*

*South Darley Covid-19*

*Fundraising Challenge*

We are nearly there! This week, our families have covered 987km leaving 1151km to go. Remember to report your distances each week. Sponsorship and donations can be paid through Parentpay. Thank you all for your support in trying to help Hastings School and Kolkata during this world pandemic.
