Celebrating Our Week

Friday 2nd July 2021

Infants— Looking back at last week

It has been a busy week in the infant classroom. Even though Miss Gill has been self-isolating Mrs Fletcher and Miss Abbotts have made sure that all the infants have had plenty of work to complete. The year 1 and year 2 children have worked hard finishing their money and time topic and have showed some outstanding understanding. Reception have honed their days of the week and have been singing along to the days of the week song. The whole class have written some fabulous Indian recipes and have been show casing their knowledge of India.

Infants—Looking forward to next week

Next week the whole class is looking forward to the return of Miss Gill, who will hopefully be back with us on Tuesday morning, just in time for our Indian food tasting session. We will be finding out about the history of Indian food and learning all about different spices used in Indian cooking. There will be lots of smelling of spices and use of describing words in work.

Upper Juniors looking back at last week

It has been a busy week in Year 5 and 6 with the children working really hard on the recordings for the school show. They have adapted brilliantly to working in the church and have got on really well with any of the work we have done there. In Maths, we have been working on developing our speed and accuracy with division and in Science we have been finding out about the water cycle. We have also completed reading and maths assessments.

Upper Juniors looking forward to next week

Next week we will be continuing with our work on the school show. As well as this, the children will be exploring solids, liquids and gases more and looking at a model of the water cycle. We hope that the weather is nice and that we can use some of the time next week to play some team building games in the plantation. In Topic we plan to find out more detail about some of the families in Eyam during the plague. We will also be doing some writing based on our work about sporting greats!

Lower Juniors looking back at last week

This week Year 3 and Year 4 have been writing radio adverts to persuade people to visit the Peak District. They have used some lovely persuasive language and are looking forward to videoing these next week. We have also been recording our songs for our performance of 'Hoodwinked' and the children all looked superb in their costumes—thank you for helping by sending children in green/brown leggings or trousers. In Science, we have been investigating the water cycle.

Lower Juniors looking forward to next week

Next week the class is going to start looking at position and direction in Maths. In the afternoons, we will be filming the scenes for our Robin Hood performance and starting to pull the footage together during our ICT lesson. In PE, we will continue working on our football skills looking at passing, dribbling and shooting.

Best Work of the Week was awarded to
Holly, Ruby,
Finlay, Corey, Zoe,
Jasmine, Minne,
Olivia and Ed.

House Points

Haddon - 9

Riber— 11

Chatsworth – 8

**House Points Prize Winners—
William B and Alfie**

A special mention from Qualitas, our Monday, Wednesday and Friday morning club provider) to Imogen for completing 64 skips in a row, a personal best. Well done.
