EMBRACE CHALLENGE!

SOUTH DARLEY C.E. PRIMARY SCHOOL

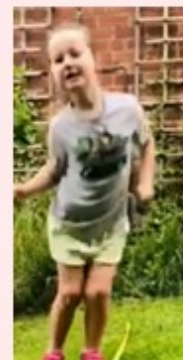

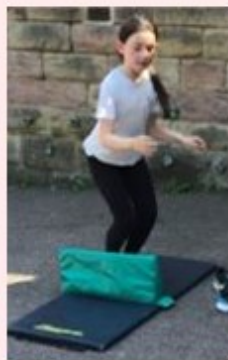

Celebrating our Week Sports Day Special 2020

Coronavirus has impacted us all—some more than others. One of the casualties this year has been our Sports Day but in true South Darley School style we didn't let a mere pandemic stop us! Across back yards, gardens and streets our pupils have been entering sports events to earn points for their houses using minimal equipment and in some cases no equipment at all! We have loved seeing all your activities and watching you earn points for your house teams. Our virtual sports day had 5 different activities and pupils were asked to send in their video's via Class Dojo of them completing the activities. Mr Pass showed pupils examples of the activities being completed by Finn (thank you Finn). The activities were standing long jump, 30 second speed bounce, high jump, 30 second skipping and kick ups. Children were able to participate, at home or at school. Well done to all who took part!

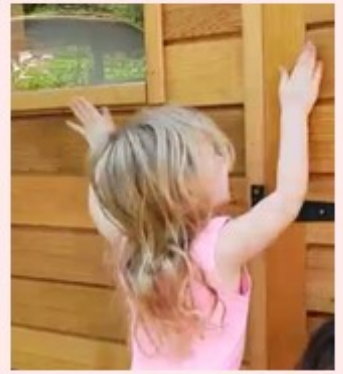

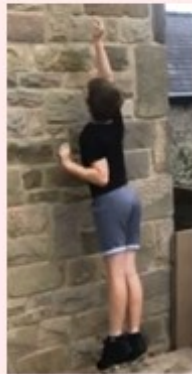

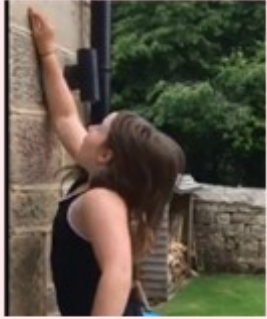

Long Jump

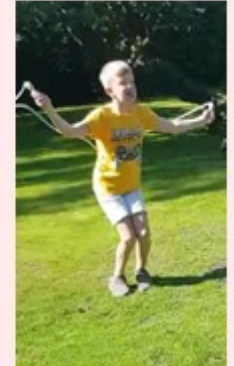

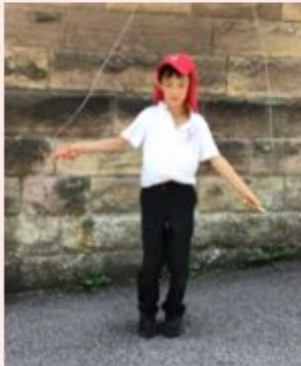

Speed bounce

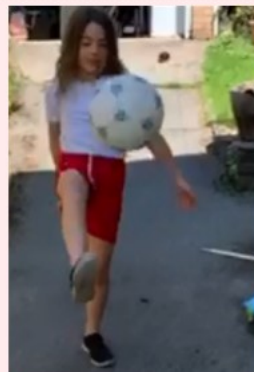

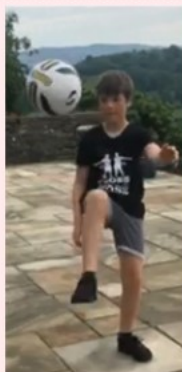

High Jump

30 second skipping

Kick Ups

The Results—Congratulations Riber Team! Pictured: House Captain Sam receiving the Sports Day Winners Trophy with Y6 Riber House team members.
