# SOUTH DARLEY C.E. PRIMARY SCHOOL

## Celebrating our Week

Friday 17rd March 2017

### Whole School

The school has received a letter from the Rt Hon Nick Gibb, MP, Minister of State for School Standards. In the letter the Minister congratulates the school, our staff and our pupils for the very high standard achieved during the 2016 key stage 2 assessments. 100% of our pupils attained the expected standard in writing and mathematics at the end of key stage 2 and our results mean that the school is in the top 1% of primary schools in England for attainment in writing and mathematics.

### Infants

#### Looking back over last week

This week Reception have been making sumptuous sandwiches to take to the moon as part of their maths lessons. KS1 did a recount about their Jodrell Bank visit in their writing. The class also undertook guided reading about Mothering Sunday.

#### Looking forward to next week

Next week infants will be measuring out liquids to make their own potions and will be attending alien school! **Best work of the week** went to Lucian, Rupert, Imogen and Holly

### Juniors

#### Looking back over last week

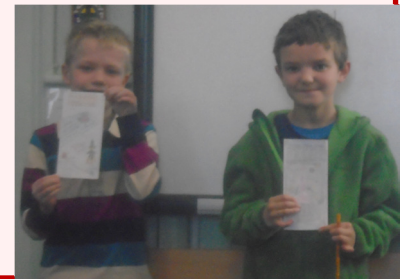

KS2 visited the planetarium as part of the Jodrell Bank visit and enjoyed finding out about the solar system and star formations.

They also undertook further rehearsals for the Play.

#### Looking forward to next week

Next week the juniors will be using space and shape in their maths lessons as well as undertaking a dress rehearsal.

**Best work of the week** went to Ethan and Jacob
