

ENJOY LEARNING:
EMBRACE CHALLENGE!

SOUTH DARLEY C.E. PRIMARY SCHOOL

Celebrating our Week

Friday 9th December 2016

Infants

Looking back over last week

This week the infant class performed their nativity. Hopefully you will all agree that Mrs Fletcher and Miss Gill (and of course, not forgetting the children) all did a first class job!

Looking forward to next week

Next week the infants will be using their maths skills to undertake some measuring. They will also be completing a Christmas maths challenge and attending the Christmas Service.

Best work of the week went to all the infants for their roles in the nativity!

Juniors

Looking back over last week

Juniors have been working hard on their times tables and telling the time (more practice required for some!) The Juniors also supported the infants in their nativity.

Looking forward to next week

Next week the juniors will be honing their story writing skills and attending the pantomime. Juniors (and infants) will also be making Christmas calendars.

Best work of the week went to Florence, Emily, Katie, Mara and Martha.

House points total

Haddon - 38

Riber—27

Chatsworth—19

House points prize winner:-
Jacob
