

**SOUTH DARLEY C.E. PRIMARY SCHOOL
SPORTS PREMIUM STATEMENT 2016-17**

What is the Sports Premium?

The government has committed to continue to providing funding for every primary school through the Sports Premium until 2020. This began in 2013/14 where funding of £150 million per annum was pledged for the academic years 2013/14 and 2014/15. The funding is jointly provided by the Departments for Education, Health and Culture, Media and Sport. The funding goes directly into schools budgets and is aimed at improving the quality of sport and PE and increase levels of physical activity among children.

Each school eligible for the Sport Premium receives £8,000 plus an extra £5 per pupil each year.

In 2014/15 we received £8280.

In 2015/16 we received £8220.

In 2016/17 we received £8285

In 2017/18 funding is likely to be doubled but we are awaiting confirmation on the exact figures.

The money is ring fenced and can only be spent on Physical activity, sport, PE provision and improving the health and well-being of children in schools. The money will be used so that it will benefit all groups of children.

Purpose of the funding

All schools have to spend the sport funding on improving their provision of PE, physical activity and sport, but there is freedom to choose how to do it. At South Darley C.E. Primary School Primary School we strongly believe that PE and physical activity plays a crucial part in developing the whole child which is what we aim to do. We also believe that competitive sports are an important part of a child's education and we hope that every child will be able to represent the school in a sporting competition at some point. We also see competitions and festival sports as a great way of mixing with children from other schools which is especially important for children from small schools like ours.

Spending in 2016-17

Activity	Cost	Impact
Membership of The Highfields sports partnership (Silver package) which allows us entry to all inter-school sports competitions, primary sports evenings (12 after school sessions per year), sports leaders program, and staff training.	£1,200	All children have had competitive experiences. We have entered a high amount of competitions. TAs have attended training to help children understand rules for competitions.
Membership of the rural schools sports partnership, which organises further competitions, Bikeability, Training for our mid-day supervisors to run sports activities, access to programs such as Energy Clubs and Change4Life.	£350	Y6 children gain cycling confidence through bikeability. Children have had greater access to competitions such as Basketball and Combat Sports. Midday Supervisors have attended training. Support has been received in applying for school games mark accreditation and setting up Change4Life clubs and a student sports council.
Entry fees to competitions such as the 5-a-side football competition and Water Polo at the Arc Leisure Centre.	£20	Excellent opportunities for children to play water polo and football
Coaching from Qualitas which provides opportunities for Teachers to learn alongside the coach.	£1,140	Children get high quality activities which teachers can replicate when they are not here.

Subsidised morning sports clubs from Progressive Sports and Premier Sports to encourage more children to become more active.	£1,106.50	Attendance at these clubs has increased markedly due to the subsidy bringing the cost in line with other morning clubs.
Subsidy for KS2 residential trips to Edale and Whitehall outdoor activity centres so that all children can take part.	£1179	These visits are only possible to all children with the support of sports premium and go a long way to promoting physical activities beyond the reach of most children.
TA and staff time to enable them to take children to tournaments outside school hours.	As required. All done voluntarily this year.	Without this we would be unable to take part in some tournaments.
Transport costs when it would be difficult to attend events if none was provided e.g. cross country.	£820	Without this it would be impossible to take part in many tournaments.
Staff training to improve their PE teaching skills.	Cost is part of sports partnerships	KS1 teachers, TAs and Midday supervisors more confident in delivering physical activity
Funding for Change4Life Club	£50	Sweatshirts to give sportsleaders pride in their leadership role.
Funding for Fencing training and equipment so a club can be started.	£450	Training undertaken. Club will start when equipment arrives
Total	£6315.50	Any surplus is carried over and used the following year for sporting activities, including a subsidy for our biannual outdoor activity residential trips at Edale and Whitehall for Y3/4 and Y5/6
