

**SOUTH DARLEY C.E. PRIMARY SCHOOL
SPORTS PREMIUM STATEMENT 2017-18**

What is the Sports Premium?

The government has committed to continue to providing funding for every primary school through the Sports Premium until 2020. This began in 2013/14 where funding of £150 million per annum was pledged for the academic years 2013/14 and 2014/15. The funding is jointly provided by the Departments for Education, Health and Culture, Media and Sport. The funding goes directly into schools budgets and is aimed at improving the quality of sport and PE and increase levels of physical activity among children.

Between 2014 and 2017 each school eligible for the Sport Premium received £8,000 plus an extra £5 per pupil each year. From 2017 each school has receive £16,000 plus £5 per pupil.

In 2014/15 we received £8280.

In 2015/16 we received £8220.

In 2016/17 we received £8285

In 2017/18 we received £16,270

In 2018 /19 we expect to receive £16,315

The money is ring fenced and can only be spent on Physical activity, sport, PE provision and improving the health and well-being of children in schools. The money will be used so that it will benefit all groups of children.

Purpose of the funding

All schools have to spend the sport funding on improving their provision of PE, physical activity and sport, but there is freedom to choose how to do it. At South Darley C.E. Primary School Primary School we strongly believe that PE and physical activity plays a crucial part in developing the whole child which is what we aim to do. We also believe that competitive sports are an important part of a child’s education and we hope that every child will be able to represent the school in a sporting competition at some point. We also see competitions and festival sports as a great way of mixing with children from other schools which is especially important for children from small schools like ours.

Spending in 2017-18:

Activity	Cost	Impact
Membership of The Highfields sports partnership (Silver package) which allows us entry to all inter-school sports competitions, primary sports evenings (12 after school sessions per year), sports leaders program, and staff training.	£1,400	All children have had competitive experiences. We have entered a high amount of competitions. TAs have attended training to help children understand rules for competitions.
Membership of the rural schools sports partnership, which organises further competitions, Bikeability, Training for our mid-day supervisors to run sports activities, access to programs such as Energy Clubs and Change4Life.	£400	Y6 children gain cycling confidence through bikeability. Children have had greater access to competitions such as Basketball and Combat Sports. Midday Supervisors have attended training. Support has been received in applying for school games mark accreditation and setting up Change4Life clubs and a student sports council.
Entry fees to competitions such as the 5-a-side football competition and Water Polo at the Arc Leisure Centre, and the KS1 football tournament.	£30	Excellent opportunities for children to play water polo and football
Coaching from Qualitas which provides opportunities for Teachers to learn alongside the coach.	£2,320	Children get high quality activities which teachers can replicate when they are not here.

Attendance of Qualitas awards evening to celebrate children's effort in sports sessions over the year, including the presentation of a new football kit.	£100	Children have been encouraged to put extra effort into their sports sessions so that they will earn an invitation to this event.
Subsidised morning sports clubs from Progressive Sports to encourage more children to become more active.	£1,840.50	Attendance at these clubs has increased markedly due to the subsidy bringing the cost in line with other morning clubs.
Creation of an after school football club with professional coaches with Winster School to encourage children to gain in skills and confidence, and in preparation for entering a joint team into the local Arc competition	£210	Children have been given high quality coaching from Qualitas.
Y5 and 6 activity retreat day with Winster and Elton Schools at Peak Centre (Edale) Outdoor Education Centre	£95.52	Children learnt the skills of mindfulness and physical wellbeing, which they brought back to school.
TA, Apprentice TA and staff time to enable them to take children to tournaments outside school hours, to supervise physical activity at lunch times and to help deliver sports sessions	£1,575	Without this we would be unable to take part in some tournaments. Lunchtimes have more organised physical activity due to the involvement of the apprentice TA.
Active Musical session delivered weekly to KS1.	£810	Younger children have become active in a fun, stimulating environment which links music and rhythm to physical movement.
Resources associated with creating a Park-Run event for Y5/6 of three local primary schools.	£50	Children have enjoyed running for a prolonged period with many other children.
Transport costs when it would be difficult to attend events if none was provided e.g. cross country.	£755	Without this it would be impossible to take part in many tournaments.
Rental payment to South Darley Village hall and Darley Dale Cricket Clubs.	£1,210	Children are able to enjoy high quality sports facilities in all weathers, promoting a greater enjoyment of sports.
Staff training to improve their PE teaching skills.	Cost is part of sports partnerships	KS1 teachers, TAs and Midday supervisors more confident in delivering physical activity
Funding for Change4Life Club	£90	Sweatshirts to give sportsleaders pride in their leadership role.
Cricket Coaching from Derbyshire County Cricket Club and after school club.	£200	Children have become more engaged in cricket.
Extra cost this year of allowing all junior year groups to attend swimming rather than just in one year, including transportation.	£2052	All children become competent in swimming and reach the required standard by the end of year 6.
Total	£13,138.02	Any surplus is carried over and used the following year for sporting activities, including a subsidy for our biannual outdoor activity residential trips at Edale and Whitehall for Y3/4 and Y5/6. It is also to be added to a fund to enhance the outdoor provision within school in order to promote more physical activity.
